

Renown Lab Services Offers Convenient Access

Effective June 1, 2011, all outpatient laboratory services will be provided by Renown Lab Services in the Reno, Sparks and Fernley areas. This change means that Lab Corp of America will no longer be a contracted provider in the Reno, Sparks and Fernley area beginning June 1, 2011.

If you use a preferred outpatient lab provider outside of the Reno, Sparks or Fernley area then this change does not affect you.
