

## Hometown Health Benefit Thesaurus

**The purpose of this document is to help our Provider Population navigate Hometown Health Plan Documents successfully. When looking up benefits, Verbiage may vary depending on the policy. The list below will help you navigate these variations.**

### **Summary of Benefits**

*Any information not found in the Summary of Benefits will be outlined in detail in the Evidence of Coverage. We encourage you to use both documents to get a full understanding of the plan design.*

#### **In Office Procedures:**

- When looking for Professional Charges for In Office procedures, please reference “Physician Services”, “Specialist Copay”, “In Office Procedures” and “Surgical Services”

#### **Outpatient Surgery:**

- When looking for Facility Charges for Outpatient procedures, please reference “Same Day Surgery” or “Outpatient Surgery” and “Ambulatory Surgery/Surgical”

#### **Inpatient Surgery:**

- When looking for *Inpatient* Facility Charges, please reference “ Acute Care”, “Inpatient” and “Hospital” or “Hospital Services”
- For physician services occurring within

### **Evidence of Coverage**

***This document is designed to provide a detailed explanation for benefit design including:***

*Detailed Benefit Explanations*

*Exclusions & Limitations*
