The screenshot shows the MyChart patient portal interface. At the top, there is a blue header with the text "MyChart". Below the header is a navigation bar with several menu items: "Menu", "Visits", "Messages", "Test Results", and "Medications". The "Medications" item is highlighted with a red rectangular box. Below the navigation bar, the main content area starts with a "Welcome!" message and a status indicator that says "Nothing new to show." with a sun and cloud icon. Further down, there is an "Explore More" section with a lightbulb icon. This section contains two cards: "Plan Ahead" with a notebook icon and a "Learn more" button, and "Share Everywhere" with a globe icon and a right-pointing arrow icon.
