

## Advanced Biosimilars-first Preferred Drug List-Commercial

The Hometown Health Advanced Biosimilars-first Medical Preferred Drug List encourages utilization of clinically appropriate and lower net cost products within the following therapeutic drug classes. The Advanced Biosimilars-first Medical Preferred Drug List includes the listed products only and any other product may be available under a plan's medical benefit.

The listed preferred products must be used first. An exception process is in place for specific circumstances that may warrant a need for a non-preferred product.

Drug Class	Non-Preferred Product(s)*	Preferred Product(s)
<b>Acromegaly-Long Acting</b>	Lanreotide Acetate Sandostatin LAR Depot Signifor LAR Somavert	Octreotide Acetate Somatuline Depot
<b>Actemra/Biosimilars</b>	Actemra	Avtozma Tofidence Tyenne IV
